Finished quilt size 36" x 36"; finished block size 6" x 6"

Here..Puppy, Puppy! quilt top measures 36" square before borders. More puppies could be added to make a larger quilt.

This is a scrap quilt. See cutting instructions for minimum amount of fabric needed for one puppy. Background requires about 1 yd of 40" width material.

For each of the puppies cut:

- ❖ 2 - 2" squares for the ears (A)
- ❖ 2 - 2" squares of body material
- ❖ 1 - 3 1/2" x 5" rectangle of body material

From background material cut:

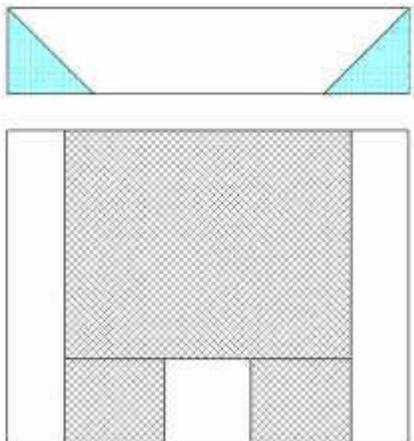

- ❖ 36 rectangles 2" x 6-1/2" (1 for each puppy)
- ❖ 36 squares 2" (1 for each puppy)
- ❖ 72 rectangles 1-1/4" x 5" (2 for each puppy)

To make the ears for one puppy, place one A square of puppy ear fabric at each end of a 2" x 6-1/2" background rectangle. Sew on the diagonal across the middle of the squares as shown. Trim the excess fabric 1/4" from the sewing line and press toward the ear fabric.

The ears unit should look like this. Repeat for all puppies.

<p>To make the feet for one puppy, sew one 2" square of puppy body fabric to each side of a 2" square of background fabric. The feet unit should look like this. Sew to the bottom of a 3-1/2" x 5" puppy fabric rectangle. Repeat for all puppies.</p>	
<p>Sew 1-1/4" x 5" background strips to the side of the puppy body.</p> <p>Sew ears unit to the top of the puppy.</p>	
<p>Either by embroidery or drawing (use a permanent ink pen), add a face or tale to the block.</p> <p>Arrange puppy blocks and remaining background pieces as shown in puppy quilt picture above and sew together. Add borders as desired</p>
